A Message from Father David

Momentous occasions in the United States

This past Friday we experienced the peaceful transition of power in our government. In regard to the unborn, for the past 44 years, that transition has been neither peaceful nor a transition. No political party, and no national government has been able to protect the life of the unborn for almost half of a century in these United States. This Monday marks the anniversary of Roe vs. Wade and the March for Life in Topeka. The national march will take place on Friday due to the inauguration. In recent times, fortunately, the number of abortions has fallen by half since 1980, but even one life is too much. Please pray for our president, that this transition may be a true transition for peace for all, and please pray for all those marching and for a protection of all life from conception till natural death.

Prayer to End Abortion

Lord God, I thank you today for the gift of my life, and for the lives of all my brothers and sisters. I know there is nothing that destroys more life than abortion, yet I rejoice that you have conquered death by the Resurrection of Your Son.

I am ready to do my part in ending abortion. Today I commit myself never to be silent, never to be passive, never to be forgetful of the unborn. I commit myself to be active in the pro-life movement, and never to stop defending life until all my brothers and sisters are protected, and our nation once again becomes a nation with liberty and justice not just for some, but for all. Through Christ our Lord. Amen!

Prayer after an election:

God of all nations, Father of the human family, we give you thanks for the freedom we exercise and the many blessings of democracy we enjoy in these United States of America.

We ask for your protection and guidance for all who devote themselves to the common good, working for justice and peace at home and around the world. We lift up all our duly elected leaders and public servants, those who will serve us as president, as legislators and judges, those in the military and law enforcement. Heal us from our differences and unite us, O Lord, with a common purpose, dedication, and commitment to achieve liberty and justice in the years ahead for all people, and especially those who are most vulnerable in our midst. Amen.
