Message from Fr. David

This past week, President Trump addressed the large crowd at the 45th March for Life.

“We know that life is the greatest miracle of all. We see it in the eyes of every new mother who cradles that wonderful, innocent, and glorious-newborn child in her loving arms. I want to thank every person here today and all across our country who works with such big hearts and tireless devotion to make sure that parents have the caring support they need to choose life.

Because of you, tens of thousands of Americans have been born and reached their full God-given potential, because of you. You’re living witnesses of this year’s March for life theme, and that theme is, ‘Love Saves Lives.’

As you all know Roe versus Wade has resulted in some of the most permissive abortion laws anywhere in the world. For example, in the United States, it’s one of only seven countries to allow elective late-term abortions along with China North Korea and others. Right now, in a number of States, the laws allow a baby to be born [sic, aborted] from his or her mother’s womb in the ninth month.

It is wrong. It has to change. ...

Americans are more and more pro-life. You see that all the time. In fact, only 12% of Americans support abortion on demand at any time.

Under my administration, we will always defend the very first right in the Declaration of Independent, and that is the ‘right to life.’ ...

Thank you to the March for life, special, special people. And we are with you all the way. May God bless you and may God bless America. Thank you. Thank you.”
